

dry skin
relief bar®

Soothe and improve dry skin concerns including psoriasis and seborrheic dermatitis with this cleansing bar formulated with 3% salicylic acid and antioxidants.

Active ingredient:

Salicylic Acid (3%) – controls and fights the recurrence of the itching, redness, flaking and irritation associated with psoriasis and seborrheic dermatitis.

Key ingredients:

Glycerin – a humectant and emollient that helps to hydrate the skin.

Aloe Vera Leaf Juice – a purifying ingredient best known for its softening and soothing benefits.

Green Tea Extract – a polyphenolic antioxidant containing beneficial vitamins, minerals and oils.

Tocopherol (Vitamin E) – a fat-soluble antioxidant vitamin and emollient ingredient.

Directions for use: Moisten the enclosed sponge and create a creamy lather. Cleanse the affected area, allowing the lather to remain on the skin for approximately two minutes. Rinse with warm water and pat dry. Follow with the appropriate PCA SKIN® broad spectrum SPF product in the daytime and moisturizer in the evening.

Note: store sponge outside of container.
