

retinol  
renewal  
with  
restorActive complex

This serum features RestorActive complex, a unique blend of a retinol complex and botanicals that helps minimize the appearance of fine lines and wrinkles, and promote an even skin tone.

before

Condition: laxity and wrinkling.\*

after

Solution: followed a customized age control daily care regimen over a two-month period. Note: no professional treatments were applied.\*

\*Photos not retouched.

**Key ingredients:**

**Retinoids (Vitamin A)** – are converted to retinoic acid in the skin. Vitamin A helps to promote a clear complexion and an even skin tone.

**Vigna Aconitifolia Seed Extract** – is a botanical that promotes a clear complexion and an even skin tone.

**Sodium Hyaluronate** – has the ability to hold 1,000 times its weight in water and plays an important role in skin hydration.

**Squalene** – is a naturally occurring oil found in such foods as olives and wheat germ. It helps to keep the skin moist.

**Superoxide Dismutase (SOD)** – is an enzyme that supports antioxidant defense.

**Tocotrienols and Tocopherol (Vitamin E)** – are fat-soluble antioxidant vitamins and emollient ingredients.

**Directions for use:** after cleansing and toning, apply one to two pumps to entire face and neck twice daily for maximum results. Follow with the appropriate PCA SKIN® broad spectrum SPF product in the daytime and moisturizer in the evening.
